

EUROPEAN
SOCIETY OF
CARDIOLOGY®

European Heart Journal

Volume 36 No. 15 April 2015

ISSUE @ A GLANCE

An update on heart failure and peripheral arterial disease
T.F. Lüscher

885

CARDIOPULSE

Pharmadisclosure: much activity, but little progress, with the European Society of Cardiology ahead of many
B. Shurlock

888

Cardiac imaging of adult cancer patients on chemotherapy
M. Galderisi and P. Lancellotti

889

Drinking moderate amounts of alcohol is linked to reduced risk of heart failure
S. Solomon and A. Gonçalves

890

The dilemmas in diagnosing left ventricular non-compaction in athletes
S. Gati and S. Sharma

891

EDITORIALS

Peripheral artery occlusive disease a major contributor to cardiovascular public health burden
I. Baumgartner

894

 Alcohol consumption and incident cardiovascular disease: not just one unifying hypothesis
D. Conen

897

Too much is too much: evidence against dual RAAS inhibition in hypertensives with heart failure symptoms
S. Ewen and M. Böhm

899

CURRENT OPINION

Neprilysin, cardiovascular, and Alzheimer's diseases: the therapeutic split?
N. Vodovar, C. Paquet, A. Mebazaa, J.-M. Launay, J. Hugon, and A. Cohen-Solal

902

REVIEW

Imaging
Cardiac computed tomography in patients with acute chest pain
K. Nieman and U. Hoffmann

906

CLINICAL RESEARCH

Heart failure/cardiomyopathy

 Clinical impacts of additive use of olmesartan in hypertensive patients with chronic heart failure: the supplemental benefit of an angiotensin receptor blocker in hypertensive patients with stable heart failure using olmesartan (SUPPORT) trial

Y. Sakata, N. Shiba, J. Takahashi, S. Miyata, K. Nochioka, M. Miura, T. Takada, C. Saga, T. Shinozaki, M. Sugi, M. Nakagawa, N. Sekiguchi, T. Komaru, A. Kato, M. Fukuchi, E. Nozaki, T. Hiramoto, K. Inoue, T. Goto, M. Ohe, K. Tamaki, S. Ibayashi, N. Ishide, Y. Maruyama, I. Tsuji, and H. Shimokawa, on Behalf of the SUPPORT Trial Investigators

915

 Presentation blood glucose and death, hospitalization, and future diabetes risk in patients with acute heart failure syndromes

M. Sud, X. Wang, P.C. Austin, L.L. Lipscombe, G.E. Newton, J.V. Tu, R.S. Vasan, and D.S. Lee

924

Peripheral artery disease

 Peripheral arterial disease and critical limb ischaemia: still poor outcomes and lack of guideline adherence
H. Reinecke, M. Unrath, E. Freisinger, H. Bunzemeier, M. Meyborg, F. Lüders, K. Gebauer, N. Roeder, K. Berger, and N.M. Malyar

932

Prevention and epidemiology

 Alcohol consumption and risk of heart failure: the Atherosclerosis Risk in Communities Study
A. Gonçalves, B. Claggett, P.S. Jhund, W. Rosamond, A. Deswal, D. Aguilar, A.M. Shah, S. Cheng, and S.D. Solomon

939

CARDIOVASCULAR FLASHLIGHTS

- 'A blessing in disguise': myxoma cordis and Tako Tsubo cardiomyopathy
N.W. van der Hoeven, R.B. van Loon, and O. Kamp 914
- Acute cocaine myocarditis: a word of caution
S. Rijal and J.L. Cavalcante 946
