## ORIGINAL INVESTIGATION

**1140 Aldosterone Synthase Inhibition With Lorundrostat for Uncontrolled Hypertension: The Target-HTN Randomized Clinical Trial**

LJ Laffin and Coauthors

for the Target-HTN Investigators

This randomized clinical trial assesses the effect of 5 dosages of lorundrostat treatment vs placebo on 8-week systolic blood pressure change among adults with uncontrolled hypertension.

Editorial 1138

**1151 SARS-CoV-2 Infection and Development of Islet Autoimmunity in Early Childhood**

M Lugar and Coauthors

for the GPPAD Study Group

This longitudinal study of young children in 5 European countries investigates whether there is a temporal association between SARS-CoV-2 infection and islet autoimmunity when children are most susceptible.

Audio

**1161 Suicide Risks of Health Care Workers in the US**

M Olfson and Coauthors

This cohort study compares rates of suicide among 6 categories of US health care workers vs non-health care workers.

CME

**1167 Induced Abortion and the Risk of Rh Sensitization**

S Horvath and Coauthors

This cohort study aims to determine how frequently maternal exposure to fetal red blood cell count exceeds the most conservative published threshold for Rh sensitization in induced first-trimester abortion.

## Opinion

## VIEWPOINT

**1129 Including E-Cigarettes in the FDA Rule Limiting Nicotine**

DG Aaron, CR Wallace, and MS Sinha

**1131 Health Information in 2023 (and Beyond): Confronting Emergent Realities With Health Communication Science**

WMP Klein, W-YS Chou, and RC Vanderpool

**1133 Protecting Medicare's Discretion to Say No to Unproven Therapies**

CJR Daval, L Bendicksen, and AS Kesselheim

**1135 Improving Health Care Quality Measurement to Combat Clinician Burnout**

AM DiGiorgio, JM Ehrenfeld, and BJ Miller

## A PIECE OF MY MIND

**1137 My Mentor Quilt**

OH Pescovitz

In this narrative medicine essay, a pediatric endocrinologist who is now a university president pays tribute to her many mentors who helped guide, advise, and nurture her throughout her life journey.
