Archimedes

- 862** Towards evidence-based medicine for paediatricians
B Phillips
- 862** Role of procalcitonin in predicting complications of Kawasaki disease
K Ito, H Hanna, M Beykou, C Gale, J A Herberg

PostScript

- 865** Infants born during the COVID-19 pandemic have less interest in masked faces than unmasked faces
S Byrne, E O'Flaherty, H Sledge, S Lenehan, N Jordan, F Boland, R Franklin, S Hurley, J McHugh, J Hourihane, on behalf of the CORAL Study group
- 866** Effect on maximal mouth opening in children with spinal muscular atrophy treated with onasemnogene abeparvovec
N Beri, L Kapoor, D Parashar, V Mundada

Miscellanea

- 798** Archivist: Do proton pump inhibitors increase the risk of serious infections?
- 851** Archivist: First randomised controlled study of two different approaches to treating retinoblastoma
- 868** Lucina: Highlights from the literature

Electronic pages

- e16** Management of drug-related problems including drug-drug interactions caused by nirmatrelvir/ritonavir in paediatric patients with SARS-CoV-2
N Yalcin, K Demirkan
- e17** Correction: *Can I go home now? The safety and efficacy of a new UK paediatric febrile neutropenia protocol for risk-stratified early discharge on oral antibiotics*

Journal of NeuroInterventional Surgery

JNIS is the leading peer review journal for scientific literature pertaining to the field of neurointerventional surgery.

Why read?

- **Access dedicated and specialist content** for neurointerventionalists
- **Keep up to date** with the latest neurointerventional techniques for the treatment of a range of neurological and vascular problems
- **Save time and digest information** in a way that suits you with our multimedia content including regular podcasts and videos

JNIS is owned by the Society of NeuroInterventional Surgery (SNIS) and is also the official journal of the Interventional Chapter of the Australian and New Zealand Society of Neuroradiology (ANZSNR), the Canadian Interventional Neuro Group, the Hong Kong Neurological Society (HKNS) and the Neuroradiological Society of Taiwan.

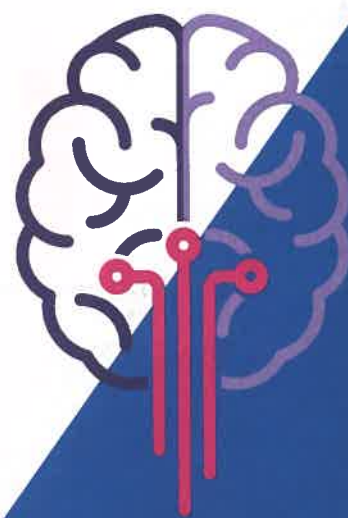

JNIS and **Practical Neurology (PN)** are both included as part of a subscription/membership to **JNHP**.
