ISSUE @ A GLANCE

Heart failure and left ventricular remodelling in HFrEF and HFpEF

T.F. Lüscher

423

CardioPulse

The Heart Failure Association of the European Society of Cardiology: Second decade of success

G. Filippatos

425

Graduation of First Postgraduate Course in Heart Failure

L. Tchambez

426

The Postgraduate Course in Heart Failure

B. Daan Westernbrink, L.W. van Laake, and J.J. Brugs

428

The second Postgraduate Course in Heart Failure: 2016–2017

L. Tchambez

430

Leaders in cardiovascular medicine today

Prof. Marc Pfeffer PhD MD

M. Nicholls

432

Settling scores with a failing heart

M. Dweck and C. Chin

433

Pocket-sized ultrasound for nurses in heart failure?

A. Strömberg and P. Wodlin

434

PARADIGM-HF trial most favoured at European Society of Cardiology Congress London

A. Toffield

436

CURRENT OPINIONS

The year in cardiology 2015: heart failure

M. Komajda and F. Ruschitzka

437

The year in cardiology 2015: valvular heart disease

B. Iung, S.H. Rahimtoola, and A. Vahanian

442

REVIEW

Clinical update

Heart failure: when form fails to follow function

A.M. Katz and E.L. Rolett

449

CLINICAL RESEARCH

Heart failure/cardiomyopathy

Influence of ejection fraction on outcomes and efficacy of spironolactone in patients with heart failure with preserved ejection fraction

S.D. Solomon, B. Claggett, E.F. Lewis, A. Desai, I. Anand, N.K. Sweitzer, E. O'Meara, S.J. Shah, S. McKinlay, J.L. Fleg, G. Sopko, B. Pitt, and M.A. Pfeffer, for the TOPCAT Investigators

455

Editorial

Defining HFpEF: where do we draw the line?

B.A. Borlaug

463

Coronary artery disease

Regional cardiac dysfunction and outcome in patients with left ventricular dysfunction, heart failure, or both after myocardial infarction

N. Wang, C.-L. Hung, S.-H. Shin, B. Claggett, H. Skali, J.J. Thune, L. Køber, A. Shah, J.J.V. McMurray, M.A. Pfeffer, and S.D. Solomon, VALIANT Investigators

466

Arrhythmia/electrophysiology

Comparison of right ventricular septal pacing and right ventricular apical pacing in patients receiving cardiac resynchronization therapy defibrillators: the SEPTAL CRT Study

C. Leclercq, N. Sadoul, L. Mont, P. Defaye, J. Osca, E. Mouton, R. Isnard, G. Habib, J. Zamorano, G. Derumeaux, and I. Fernandez-Lozano, on behalf of the SEPTAL CRT Study investigators

473

FASTTRACK

ESC Hot Line

Peri-infarct zone pacing to prevent adverse left ventricular remodelling in patients with large myocardial infarction

G.W. Stone, E.S. Chung, B. Stancak, J.H. Svendsen, T.M. Fischer, F. Kueffer, T. Ryan, J. Bax, and A. Leon, for the PROMPT Trial Investigators

484

Editorial

Peri-infarct pacing to prevent left reverse remodelling: an unvalidated concept?

C. Leclercq, F. Diebart, and F. Ruschitzka

494

CARDIOVASCULAR FLASHLIGHTS

It paces right but not in the right space!

I. Aquila, A. García, C. Fernández-Golfín, and J.L. Zamorano

496

An unusual cause of left ventricular hypertrophy

A. Dimarco, H. Mansoubi, and M. Tanner

497

Dynamic auscultation in hypertrophic obstructive cardiomyopathy: what can we learn from a murmur?

D.B. Newman, W.R. Miranda, J.B. Geske, and R.A. Nishimura

498
