

**➔ Cover Image**

Pattern of mixed pathologies in older persons. The Venn diagram illustrates the concomitant occurrence of pathologic AD diagnosis according to modified NIA Reagan criteria, chronic macroscopic or microinfarcts, vessel diseases, Lewy bodies, and TDP/HS. Stylized by Kaitlyn Aman Ramm, *Neurology* Editorial Assistant.

## Neurology<sup>®</sup> Online CME Program

Earn CME while reading *Neurology*. This program is available only to online *Neurology* subscribers. Read the articles marked CME, go to Neurology.org, and click on CME. This will provide all of the information necessary to get started. The American Academy of Neurology (AAN) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians. *Neurology* is planned and produced in accordance with the ACCME Essentials. For more information, contact AAN Member Services at 800-879-1960.
