The AAN is Fighting for You!

In the midst of rapid changes in health care policy, the AAN has your back. From actively lobbying members of Congress to meeting with regulators to underscore the value of neurology and your services to your patients, the Academy is forcefully countering any threats to your profession and patient access to care. Learn more at AAN.com/policy-and-guidelines/advocacy, read the bimonthly Capitol Hill Report and monthly *AANnews*[®] member magazine, and respond to Advocacy Action Alert emails when we invite you to share your voice with Congress.
