

ULTRASOUND

in Obstetrics & Gynecology

Editor in Chief: Professor Basky Thilaganathan

The Official Journal of
the International Society of Ultrasound
in Obstetrics and Gynecology

CONTENTS

OPINION

- 167 Unexpected resolution of first-trimester fetal valve stenosis: consequence of developmental remodeling?
H. M. Gardiner and S. Y. Ho

REFEREE COMMENTARIES

- 169 Validation of first-trimester screening for pre-eclampsia
F. Prefumo
- 169 Uteroplacental Doppler and outcome in women with tetralogy of Fallot
J. Cornette

RANDOMIZED CONTROLLED TRIAL

- 171 Single-dose systemic methotrexate vs expectant management for treatment of tubal ectopic pregnancy: a placebo-controlled randomized trial
D. Jurkovic, M. Memtsa, E. Sawyer, A. N. A. Donaldson, A. Jamil, K. Schramm, Y. Sana, M. Otiy, L. Farahani, N. Nunes, G. Ambler and J. A. Ross

SYSTEMATIC REVIEW

- 177 Physiological adaptation of maternal plasma volume during pregnancy: a systematic review and meta-analysis
S. de Haas, C. Ghossein-Doha, S. M. J. van Kuijk, J. van Drongelen and M. E. A. Spaanderman

ORIGINAL PAPERS

- 188 Validation of a first-trimester screening model for pre-eclampsia in an unselected population
E. Scazzocho, F. Crovetto, S. Triunfo, E. Gratacós and F. Figueras
- 194 Proposed clinical management of pregnancies after combined screening for pre-eclampsia at 30–34 weeks' gestation
D. Wright, I. Dragan, A. Syngelaki, R. Akolekar and K. H. Nicolaidis
- 201 Comparison of screening for pre-eclampsia at 31–34 weeks' gestation by sFlt-1/PlGF ratio and a method combining maternal factors with sFlt-1 and PlGF
M. Y. Tan, D. Wright, L. Koutoulas, R. Akolekar and K. H. Nicolaidis
- 209 Development of pre-eclampsia within 4 weeks of sFlt-1/PlGF ratio > 38: comparison of performance at 31–34 vs 35–37 weeks' gestation
I. Dragan, D. Wright, M. Fiolna, G. Leopold and K. H. Nicolaidis
- 213 Diverse outcome following early prenatal diagnosis of pulmonary stenosis
M. Bronshtein, Z. Blumenfeld, A. Khoury and A. Gover
- 219 Choriovitelline placenta: prenatal sonographic imaging and clinical characteristics
R. Achiron and Z. Kivilevitch
- 224 Basic heart examination: feasibility study of first-trimester systematic simplified fetal echocardiography
E. Quarello, A. Lafouge, N. Fries, L. J. Salomon and the CFEF
- 231 Uteroplacental Doppler flow and pregnancy outcome in women with tetralogy of Fallot
M. A. M. Kampman, A. S. Siegmund, C. M. Bilardo, D. J. van Veldhuisen, A. Balci, M. A. Oudijk, H. Groen, B. J. M. Mulder, J. W. Roos-Hesselink, G. Sieswerda, M. W. M. de Laat, K. M. Sollic-Szarynska and P. G. Pieper, on behalf of the ZAHARA investigators

- 240 Transperineal sonographic assessment of angle of progression as a predictor of successful vaginal delivery following induction of labor
M. Gillor, E. Vaisbuch, S. Zaks, O. Barak, Z. Hagay and R. Levy
- 246 Prediction of time to delivery by transperineal ultrasound in second stage of labor
N. Yonctani, R. Yamamoto, M. Murata, E. Nakajima, T. Taguchi, K. Ishii and N. Mitsuda
- 252 Is it necessary to diagnose levator avulsion on pelvic floor muscle contraction?
H. P. Dietz, A. Pattillo Garnham and R. Guzmán Rojas
- 257 Is obstetric anal sphincter injury a risk factor for levator ani muscle avulsion in vaginal delivery?
M. Simó González, J. Cassadó Garriga, C. Dosouto Capel, O. Porta Roda, J. Perelló Capó and I. Gich Saladich
- 263 Ultrasound in preoperative assessment of pelvic and abdominal spread in patients with ovarian cancer: a prospective study
D. Fischerova, M. Zikan, I. Semeradova, J. Slama, R. Kocian, P. Dunder, K. Nemejcova, A. Burgetova, L. Dusek and D. Cibula

LETTERS TO THE EDITOR

- 275 Fetal goiter associated with preconception hysterosalpingography using an oil-soluble iodinated contrast medium
Y. Sasaki, A. Kikuchi, M. Murai, T. Kanazugi, C. Isurugi, R. Oyama and T. Sugiyama
- 277 Pitfall in first-trimester diagnosis of chorionicity in twin pregnancy
A. Gueneuc, E. Spaggiari, M. Bonniere, N. J. Hajal, Y. Ville and L. J. Salomon
- 278 Uterine perforation and small bowel incarceration 11 months after dilatation and curettage: sonographic and surgical findings
A. De Cicco, F. Mascilimi, M. Ludovisi, F. De Cicco, G. Scambia and A. C. Testa

CORRESPONDENCE

- 279 Computed tomography and ultrasound to determine fetal head station
B. Tutschek, T. Braun, F. Chantraine and W. Henrich
- 280 Fetal head station: myth of ACOG classification
C. J. Arthuis, F. Perrotin and E. G. Simon
- 281 Re: Stillbirth collection by Man et al.
P. Cox, T. Marton, B. Hargitai, A. Coetzee, C. Bowen, D. Penman, M. Evans, C. Gannon, P. French, M. Cohen, S. Holden, J. Allotey, C. Evans, A. Murphy, K. Turner, C. Cullinane, J. Stahlschmidt, G. Kokai, M. Al Adnani, A. Marmerides, B. Vadgama and J. McPartland
- 282 Reply
M. Ashworth, A. E. Heazell and N. J. Sebire

PICTURE OF THE MONTH

- 284 Virtual hysteroscopy with HDlive
S. H. Saravelos and T. C. Li

CONSENSUS STATEMENT

- 287 ISUOG consensus statement on current understanding of the association of neurodevelopmental delay and congenital heart disease: impact on prenatal counseling
D. Paladini, Z. Alfirevic, J. S. Carvalho, A. Khalil, G. Malingier, J. M. Martinez, J. Rychik, Y. Ville and H. Gardiner, on behalf of the ISUOG Clinical Standards Committee
